Reviews

It is one of my personal favorite ebooks. It is probably the most awesome publication I have read through. You won't really feel monotony at anytime of the time (that's what catalogs are for regarding in the event you check with me).

HEART-SHAPED

[DOWNLOAD](#)

Hachette Children's Group. Paperback. Book Condition: new. BRAND NEW, Heart-shaped, Siobhan Parkinson, Written with sensitivity, humour and a lightness of touch, HEART-SHAPED is a companion to Siobhan Parkinson's highly-acclaimed novel, BRUISED - for fans of Meg Rosoff, Aidan Chambers and David Levithan. Annie makes a startling discovery one day - and everything changes. She fears for the safety of her boyfriend Jonno, who has vanished, knowing he is in desperate trouble. Feeling alone, she clings to her dad, her only parent, but he can't fill in all the gaps in the puzzle that is Annie's life. Nor can her best friend. To do that, Annie has to look into her past and understand who her mother was, what happened to her and why. So the truth behind Jonno's disappearance - which is the story in BRUISED - becomes a mirror for what's happening in Annie's own life. The reader is desperate for him to come back, so that Annie can fully fit the pieces of her existence back together.
