Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)

BUT DONT ALL RELIGIONS LEAD TO GOD

Baker Books. Paperback. Book Condition: New. Paperback. 92 pages. Dimensions: 8.4in. x 5.4in. x 0.3in. We've all heard the rationale: It doesn't matter what you believe as long as you're sincere. Or All religions are pretty much the same. But are they the same? Does it matter which one you follow? In this insightful and compelling book, Michael Green invites readers into a relationship with Jesus Christ, the divine revelation and only pathway to the one true God. In a conversational style geared toward nonbelievers, Green compares Christianity, Buddhism, Islam, and other religions to help spiritual seekers navigate the multifaith maze. But Dont All Religions Lead to God is an ideal reference and evangelism tool for churches and individual Christians as well. It offers scriptural references, looks at how divergent religious traditions view salvation and eternity, and answers difficult questions such as What about people who have never heard of Jesus and How should Christians regard other religions? In the midst of our pluralistic and tolerant culture, here is an important and convincing argument for faith in Jesus—the only great teacher whose death and resurrection provided grace, forgiveness, and an eternity in the presence of God. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
