

I Heart My Little A-Holes: A Bunch of Holy-Crap Moments No One Ever Told You About Parenting

Filesize: 4.91 MB

Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

HarperCollins Publishers Inc. Hardback. Book Condition: new. BRAND NEW, I Heart My Little A-Holes: A Bunch of Holy-Crap Moments No One Ever Told You About Parenting, Karen Alpert, Following the success of *Go the F**k to Sleep*, *Confessions of a Scary Mommy*, and *Ketchup Is a Vegetable*, a collection of funny, warm, and charmingly profane tales from the frontlines of parenthood by the author of the popular *Baby Sideburns* blog. Once upon a time you and your partner had a perfect life: dinners out, weekend mornings cuddling in bed, brunch with friends. Then you gave birth to a poop machine (or two). Now, it's all about the pediatrician, breast pumps, princess dresses, and minivans. And discovering that your pride and joy is actually a little A-hole. When your son wakes you up at 3:00 A.M. because he wants to watch *Caillou*, he's an a-hole. When your daughter outlines every corner of your living room with a purple crayon, she's an a-hole. When your rug rats purposely paint the kitchen ceiling with their smoothies, they're a-holes. At times like these, it's only natural to want to kill them (or yourself). But it's against the law (and there's the suicide hotline). Plus, there's that whole loving them more than anything in the whole world thing. In *I Heart My Little A-Holes*, Karen Alpert shares hilarious stories, lists, and deep thoughts on the joys and horrors of raising children. Accompanied by cheery illustrations and photos *I Heart My Little A-Holes* will make you laugh so hard you'll wish you were wearing a diaper.
