Brand New Book ***** Print on Demand *****.Three African women from three different eras are bonded together by a thin, fragile thread. Iyogie is the soft spoken matriarch of the Idusefe family. A lone figurehead in a community of ancient traditions, she practices her faith quietly. But like a lamp which burns in a dark room, her inner strength cannot be hidden and she offers hope to those close to her. Ifueko: Living in the era of colonial transition, her destiny seems to have been decided by the men who rule the world in which she lives. But when these same men are subdued during the foreign invasion, Ifueko must take her destiny in her hands by deciding whether to go the way she has always known or to follow the road less travelled. Stella is a modern day beauty queen, living life in the fast lane. When her life begins to spin out of control, she realizes that she may need to apply the brakes before she crashes. In a bid to reverse some of her hasty decisions, she takes a trip into the past to discover what exactly has been holding her back and what she must let go, if she is to lay hold of the true essence of life. These women swim against the tides of their time, each one drawing inspiration from her forerunner as a legacy of true royalty is passed down from one generation to the next.
