

Geography: History and Concepts (4th Revised edition)

By Arild Holt-Jensen

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Geography: History and Concepts (4th Revised edition), Arild Holt-Jensen, Now in a fourth edition, this standard student reference has been totally revised and updated. It remains the definitive introduction to the history, philosophy, and methodology of human geography; now including a detailed explanation of key ideas in human geography's post-modernist and post-structuralist 'turns'. The book is organized into six sections: * What is Geography?: an introduction to the discipline, and a discussion of its organization and basic research approaches, informed by the question 'what difference does it make to think geographically?' * Foundations of Geography: an examination of geography from Antiquity to the 1950s, with a special focus on human?environment relations * Geography 1950-1980: a critical review of the development of geography as a spatial science * Paradigms and Revolutions: an analysis of paradigm shifts in geography, that introduces students to key debates in the philosophy of science * Positivism and its Critics: a detailed discussion of positivism, critical theory, humanistic geography, behavioural geography, and structuralism * New Trends and Ideas developing critical responses: structuration theory, realism, post-structuralism, post-modernism, feminism and actor-network theory. It also explores new research tools, such as...
