Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

HARRY'S GAMES: INSIDE THE MIND OF HARRY REDKNAPP

Little, Brown Book Group. Hardback. Book Condition: new. BRAND NEW, Harry's Games: Inside the Mind of Harry Redknapp, John Crace, Who is Harry Redknapp? Football genius or football chancer? Master tactician or practical joker? How is it that even when he was facing court proceedings for tax evasion so many people were still seriously tipping him to be the next England manager? How can one man have two such diametrically opposed and incompatible career trajectories? Does the longing to have an English manager in charge of the national side warp people's thinking?' To Portsmouth fans, Redknapp was the man who walked on water and won them an FA Cup. To Southampton fans, he is still the devil incarnate who had them relegated before jumping ship to their arch rivals. Spurs fans aren't sure what he is, but don't care as long as he keeps the team together and winning. Sometimes he's the Messiah, at others the clown. Whoever he is, Crace is determined to find out.
