Tughra Books. Paperback. Book Condition: new. BRAND NEW, Fruits of Worship, Abdullah Aymaz, Emphasising the character of the religion of Islam as consisting of faith and practice, this book analyses thoroughly the five most important "pillars of Islam" that form the core of Islamic life, namely the profession of faith, the prayer, which is the first practical manifestation of faith, fasting, charity, and pilgrimage to Mecca. Explaining lucidly the necessity of fulfilling these "pillars" of Islam with the intention of pleasing God and purely for His sake, the author gives us insights into the moral, spiritual, psychological, physical, individual, and social aspects of these five central practices of Islamic worship in the context of our modern age of globalisation.
