

Favorite Recipes from Our Little House in the Big Woods

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book was written to share favorite family recipes. The family lived in the big woods of Pennsylvania. The author always attempted to provide the teenagers with healthy diets of food selections that they actually loved to eat. These healthy teenager favorites were practical, economically cost effective and very easy to prepare. The teenagers loved to help shop for the most cost effective foods, to share with their friends for social enjoyment. Step by Step instructions and acquired tricks are included in this book. The holiday traditional meals were developed and consistently requested, year after year. The grown children still prepare these holiday specialty meals for their children. The grown children often requested a copy of the instructions to prepare the foods they cherished from their childhood. After providing the recipes via email, or creating a written version of a recipe, the author of this book came up with the idea of creating a book to share all the recipes with all the children. During the creation of the Favorite Recipes from a Little House in the Big Woods, she had a new idea. The actual building of the structure for creating the book was quite challenging at times. With the technical background and the experience of training and working with people, she decided it would be a wonderful endeavor to help people capture and tout their own recipes. With this thought, the idea for a new book was born. A new book will provide the instructions that enable anyone to easily create and publish their own collection of recipes, quickly and at very low cost.
