### ***Reviews***

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

Athena Press. Paperback. Book Condition: New. Paperback. 152 pages. Dimensions: 7.8in. x 5.0in. x 0.6in. Many Facets of Love is a profound journey into the world of the spiritual through a personalised account of such experiences. Drawing on her own life, Lealan shares her ideas and thoughts on the relationship between the spiritual world and the material world - the link between soul and body. Concepts borrowed from non-Western religions and the occult permeate the discussion: karmic consciousness, seances, second sight, telepathy, among others. How do our attitudes to our lives and circumstances affect our physical health and well-being? How will hypochondria, neurosis, bitterness or overriding ambition influence a person and his or her life? How does one ensure the maximisation of happiness, satisfaction, or success? Many Facets of Love is written with compassion and understanding - an open dialogue with all those who desire to explore further afield and reach a better understanding of themselves and their position within the corporeal world through the metaphysical one. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
