What or who is causing it, and where are we headed? The Transfiguration of Our World (Expanded Edition) gives a comprehensive overview of the world situation, why we are having such problems, and the solutions now being put in place. According to author Gordon Asher Davidson, the world is being guided by an interdimensional Light Alliance working closely with many members of humanity to release the hold of darkness on our planet. In order to loosen the impasse currently gripping the world, it is essential for us to recognize and understand the purpose of higher beings and civilizations from beyond our planet. Their intention is to help us co-create a sustainable and spiritually fulfilling civilization based on love and aligned with a higher spiritual plan for human evolution. The Transfiguration of Our World offers new insights into the history and current state of the ancient struggle between the forces of light and darkness on our planet; the cosmic decree following the events of 9/11, which brought about a galactic response that offset the power of the dark cabal; the inflowing powerful, new spiritual energies and resulting movements for planetary liberation; and a detailed outline of the unfolding plan now being implemented for regenerating our planetary life. The plan for Earth's evolution includes financial, political and media reforms, a more enlightened use of resources, the regeneration of the environment, and a renaissance of spiritual cooperation between humanity and the subtle spiritual worlds, including galactic civilizations. Based on 20 years of deep meditation and contact with higher beings by the author, this book provides a corrective lens for humanity...
