The way the frigid water preserves his victims, the feel of their icy skin beneath his fingers. And soon the world will see their beauty - and his vengeance. The town of Grizzly Falls is on edge in the wake of a serial killer, and Detective Selena Alvarez is no exception. That case was solved, but a new nightmare is about to unfold. There are two victims so far - their bodies found frozen solid and deliberately displayed. Both are women she knew. And each wears a piece of Selena's jewellery. Selena's partner, Detective Regan Pescoli, and the entire department are on the case, as is P.I. Dylan O'Keefe - a man Selena got too close to once before. But this killer already knows too much about Selena's secret terror, her flaws, and the past she's tried to outrun. And soon he'll show her that she has every reason to be afraid.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
