FROM ROOTS TO WINGS: SUCCESSFUL PARENTING AFRICAN AMERICAN STYLE

African American Images. Paperback. Book Condition: new. BRAND NEW, From Roots to Wings: Successful Parenting African American Style, James Young, Merging theory with practical advice, this guide recognises the unique challenges facing African American parents and offers successful parenting strategies to overcome them. Peer pressure, television, and rap music seem to be socialising today's black youth, but this book argues that parental attention is more powerful. Case studies and other research look at expectations, listening, goal-setting, careful time management, nutrition, attention to academics and grades, consistency, prayer, and quality time, and their effectiveness in strong black families.
