Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Accent Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Last Cut, F.M. Kay, This is a powerful and stimulating collection of erotic poetry. The book was launched as part of the Cardiff Bay List Festival in April. This sell-out event was at The Guardian Hay festival in May. Here, you will experience a journey through love, sex and despair. F.M.Kay's poetry pares emotion to the bone, exposing the pain and exhilaration of an overwhelming affair. This is a book that will speak to many especially those who have had or been tempted to have an affair. The poems trace the roller-coaster journey of a relationship, celebrating love, passion and the sheer joy of being together but also reflects the darker side of illicit love and finally, loss.
