

Socrates in the Agora

By Mabel L. Lang

American School of Classical Studies at Athens. Paperback. Book Condition: new. BRAND NEW, Socrates in the Agora, Mabel L. Lang, As far as we know, the 5th-century B.C. Greek philosopher Socrates himself wrote nothing. We discover his thoughts and deeds entirely through the writings of his followers, disciples who accompanied him on his walks through the Athenian Agora and engaged in dialogue with him in the Stoa Basileios. Rather than examining his ideas in abstract, this stimulating little book aims to place Socrates in his physical setting, using textual references to follow his progress through the material remains that have been uncovered by the American School of Classical Studies at Athens since 1931. The author not only sheds new light on the great philosopher's life, but also provides a vivid reconstruction, through following the career of one of its most famous citizens, of daily life at the center of classical Athens.
