Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

KNOW YOUR NUMBERS: PATHWAYS CYCLES TO SPIRITUAL TRUTH

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Everything around us is energy and numbers are not the exception. In fact they are pulsating and vibrating all around us and within us. We can feel their vibration. Like a perfect rainbow, they can harmonize with us within our body. Each number has a distinct function, a different story to tell us. And from that story we can learn more about ourselves, our talents, strengths, and our life purpose and lessons. We are all unique expressions of the Divine universe, and as such, our numbers are uniquely expressed within us. Some numbers make up our constitution while others travel with us in cycles. This book will help you understand this unique design. Your cosmic address, your birth date has important information and when understood and decoded it can help you unlock your truth and find out your purpose for each year. It also can assist you in choosing or understanding the pathway to your destiny. Knowing yourself is the most powerful gift you can give yourself and it is my wish to share this exciting and joyous journey with you through these pages. Vivi Stockwell is an intuitive teacher, healer, artist, author and numerologist. She s been involved in the study of numbers and the healing arts for 25 years. She has appeared on national television and radio programs sharing her knowledge of energy healing and numerology.
