

Invasive Insect Species

By Richard Spilsbury

PowerKids Press, United States, 2015. Paperback. Book Condition: New. 211 x 178 mm. Language: English . Brand New Book. Readers enter the intriguing world of invasive insect species with this text, a fun yet informative look at the insects whose goal is not just to survive, but to dominate new territories. Readers will be amazed at how the tiniest creatures can take down entire trees, fields of fauna, and even other insects by simply upsetting the delicate balance of the ecosystems they invade. Readers are encouraged to think critically about the relationships between living things. Colorful photographs accompany the age-appropriate text, and informative fact boxes offer even more fascinating information.

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
