Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Providence and Hard Work is a four-part novel. You Shall Know the Truth is the second book in the series. The novel chronicles the life of Caleb Morgan, a poor farm boy, who dreams of a college education and playing football. In 1955, Caleb leaves the cotton fields and travels to the exclusive Marston College in north Mississippi. He finds employment at the Marston Country Club to help pay for tuition. Caleb is strong and very athletic, however, never having the opportunity to play football in high school, he was discouraged about trying out. As fate would have it, he soon fell in love with the campus beauty, a French girl from New Orleans, Angelle Noel. She wore an engagement ring, and secretly suffered from anxiety and depression. Her past was a tragic story of sexual abuse and a double murder. Caleb loved her so dearly, he vowed that some how, some way, some day, he would marry her. Caleb suffered much abuse from some fellow students, and at practice by his teammates, and one cruel coach. Caleb refused to give up his dream, and in time, he was finally given an opportunity to play. His performance was nothing less than incredible. Although Caleb had struggled for acceptance by the affluent students, after he proved that he was not just another country hick, and became a potential All-American, he became the campus Golden Boy. The characters that Caleb encounters in his journey through life are both rich and powerful in personalities. The story will warm one s heart, and its wry humor will keep one laughing.
