In this acclaimed classic novel of ESP in war--praised by reviewers and readers alike as both a riveting science fiction thriller and one of the finest chronicles of the Vietnam War--young Army Nurse Mary Damico dreams the deaths of soldiers before they happen, but cannot save them. Only when she is recruited for a secret unit of other esp talents--one run by a rogue CIA psychiatrist who may be a talent himself--can she become the psychic commando she needs to be to stop the psychiatrists insanity and save those she has come to love. Dream Baby is based on fifteen years of research, interviews with two hundred veterans of three American wars who reported paranormal experiences that kept them alive, and actual classified contingency plans to end the war in Vietnam that have still not been made public. This item ships from La Vergne, TN. Paperback.
