Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Architecture in the United States, Dell Upton, American Architecture is astonishingly varied. From Indian sites in New Mexico and Arizona, and the ancient earthworks of the Mississippi Valley, to the most fashionable contemporary buildings of Chicago and New York, the United States boasts three thousand years of architectural history. It is characterized by the diversity of its builders and consumers who include Native American men and women, African, Asian, and European immigrants, as well as renowned professional architects and urban planners. Dell Upton's revolutionizing interpretation examines American architecture in relation to five themes: community, nature, technology, money, and art. In giving particular attention to indigenous, folk, ethnic and popular architectures like Chaco Canyon, Brooklyn suspension bridge, and native American houses, as well as to the great monuments of traditional histories such as Jefferson's Monticello and Wright's Fallingwater, Architecture in the United States reveals the dazzling richness of America's human landscape. From the pre-publication reviews: Dell Upton: Architecture in the United States - Reviews 'In Architecture in the United States Dell Upton essentially reinvents American architectural history. Employing a series of cultural, economic, and political contexts, his incisive and entertaining narrative examines some 3,000 years of human intervention in the natural landscape, contrasting, comparing and interweaving an astounding range of built forms. This ingenious approach focuses our attention on both the commonality and diversity of human experiences that have shaped this country. Upton's book should be read by everyone with an interest in America's cultural landscape. They will never look at it in the same way again.' Professor Kenneth A. Breisch Southern California Institute of Architecture 'In Architecture in the United States Dell Upton has dismantled the typical chronological history of American architecture and reconceived it as a thematic history, organized according...
