FRANK AVA: UNREQUITED LOVE

Outskirts Press, United States, 2012. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.How did Sinatra learn to sing the way he did? What was his secret? What was his technique? What made him the number one interpreter of the music of his time? Why does everyone call the songs that Sinatra sings, his songs? This is a book that stirred in my heart over a dozen years ago. Through much research and study of Frank, the music and his life, I have put together this very intriguing story of a man in search of a dream, a dream that finally comes true, but with much pain and anguish. As Frank said, . . some people get their kicks stompin on a dream. And stompers there were, and some very close to Frank. I believe that Frank would have wanted to die on the stage singing that one last ballad like, . .make it one more for my baby and one more for the road. A man and his music now that personifies Frank Sinatra. This is a book of fiction and yet many parts are real. The unrequited love of Ava Gardner that tormented him body and soul and stayed with him until the day she died and then some, Frank's love of jazz and the intriguing life style of the show business world are all consuming to him. The love and heartache of his mother. All of this and more made...
